Noted Attorney Addresses Professional Women's Club

About forty-five members and guests attended the dinner meeting of the National Business and Professional Women's Club of Torrance held Monday evening in the Persian Room in Wilmington. Mr. Joseph Stone, Los Angeles attorney, spoke on Proposition 3, which is an amendment to rectify certain existing evils in the procedure of the lower courts.

Announcement was made of the Bay Section meeting which will be held Sunday morning, September 26, in Gardena. Anyone wishing to attend, please phone Miss Verina Porter for reservations.

Members of the local club have provided a plastic crib for the nursery of Torrance Memorial Hospital, which is endeavoring to replace all old-style metal cribs as a conservation measure both as to material and ease of sterilization. If other members wish to donate to this project, please send contributions to Mesdames Geraldine Wickman, treasurer, or Minnie Brooks.

Mrs. Maude S. Deininger, an employer of the City of Torrance, has been elected to membership in the local club.

The next business meeting will be held at 7:30 p.m. October 2 and all members are urged to attend as reports will be made covering the Los Angeles District fall conference.

Chest X-ray Project to Be Discussed

A report of the Region 16 meeting attended by the project committee will be given.

A cordial invitation is extended to all those living in the Strip to attend the meeting.

Membership is open to all in the harbor area and may be obtained here through Mesdames W. M. Schildmeyer, Donald Olson and W. R. Patterson and Mr. Wilfred Jeffery. The fee is \$6.00 plus \$1.20 tax.
